Friday Submission

---

By 4:30 Friday, please submit a copy of your lesson and all of the related materials electronically to Tad Watanabe at <twatanab@kennesaw.edu>

Your lesson should include the nine components described in the task. Remember it is only a draft so does not have to be exactly the way you want it but should have the parts spelled out enough so that Tad can give you good feedback.

Copy the submission to each member in your group so when Tad responds you will all get the input and also copy Carol, Gail and the staff member with whom you have been working: [chattan@comcast.net](mailto:chattan@comcast.net), burrill@msu.edu
