

Homework Assignment: Reflection on day 3: "Tom and Lyle"

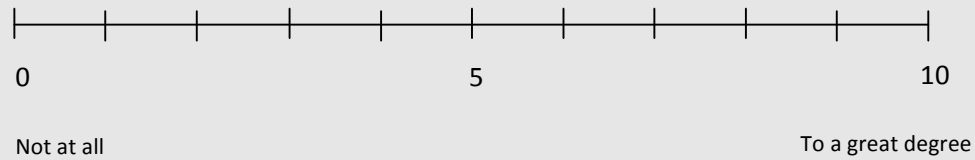

Take about 10-15 minutes to reflect and write down your thoughts on the following:
During a class discussion,

a) My classroom questions tend to be:

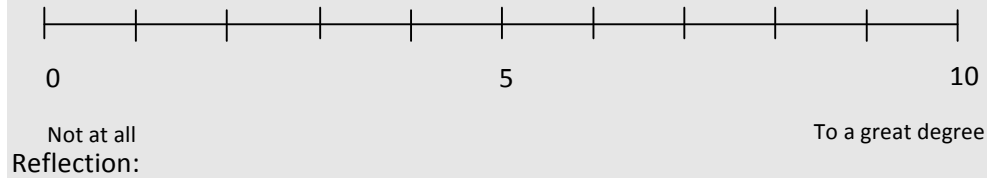

Reflection:

b) Typically standardize student thinking.

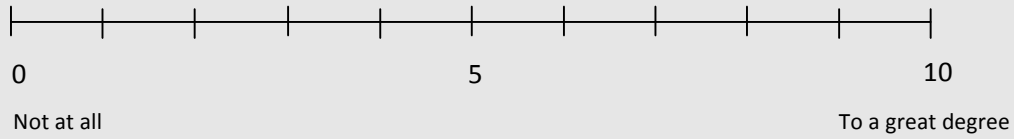

Reflection:

c) Attempt to provide summarization / closure to discussions

Reflection:

d) Allow students to share in the process of deciding what's "right" and "wrong" reasoning.

Reflection:

2. What **circumstances** move you towards standardizing students' thinking or bringing "closure" to the mathematics? What circumstances move you towards making decisions similar to the ones made by Lyle?
