# Forum LISTENING SESSION

July 11, 2019

100KIN10

What is 100K in 10?

And what is a

Listening Session?

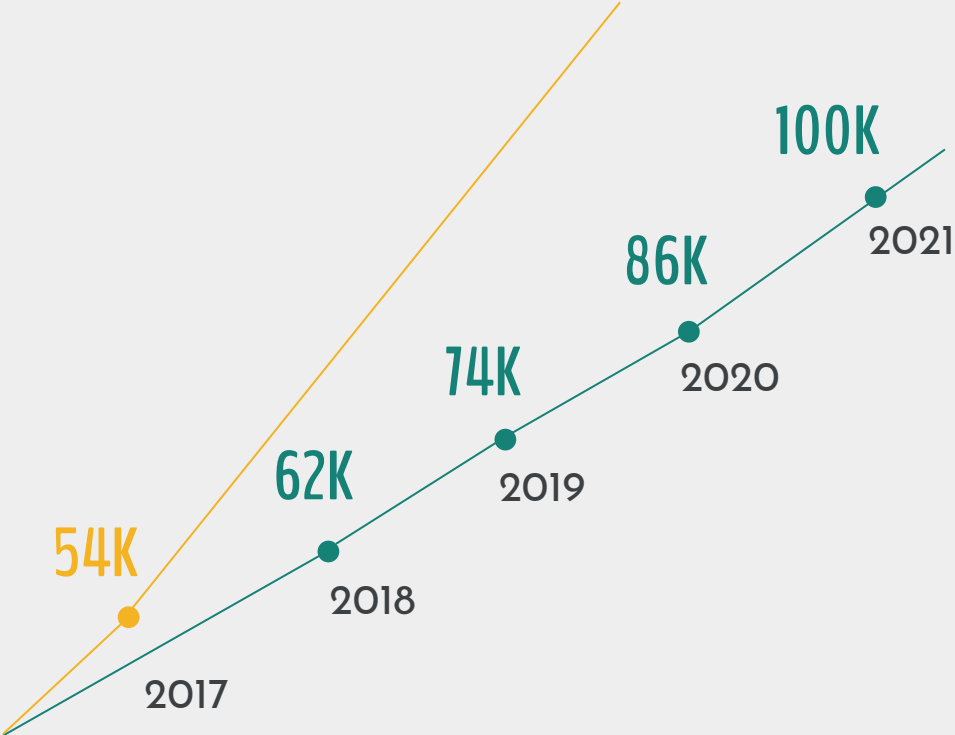

Who is involved?

Why should I want to participate?

Where & when would this Listening  
Session happen?

**TOGETHER, OUR PARTNERS ARE ON TRACK  
TO MEET OUR SHARED GOALS.**

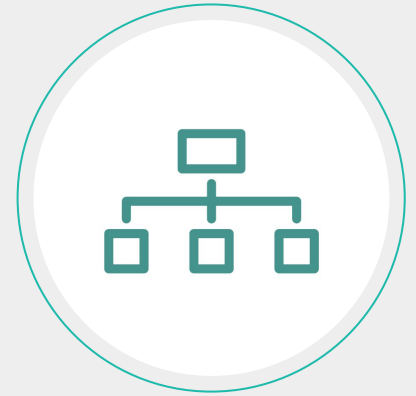

+

+

A **network** of diverse, highly-engaged organizations working in coordination and bringing their unique assets to bear against a **shared goal**

**Tools** for learning and collaborative problem-solving, which require vulnerability and therefore **respect** and **trust**

A **map** of the system, providing a 360-degree view of why it has been hard to improve and pinpointing the **highest-leverage opportunities for change**

## WE BEGAN WITH 28 PARTNERS AND HAVE GROWN TO A DIVERSE NETWORK OF 280.

113

Nonprofit  
Organizations

73

Institutions of  
Higher Education

40

Foundations and  
Corporations

13

Government Agencies  
and Elected Officials

13

School Districts and  
Charter Management

9

Professional  
Associations

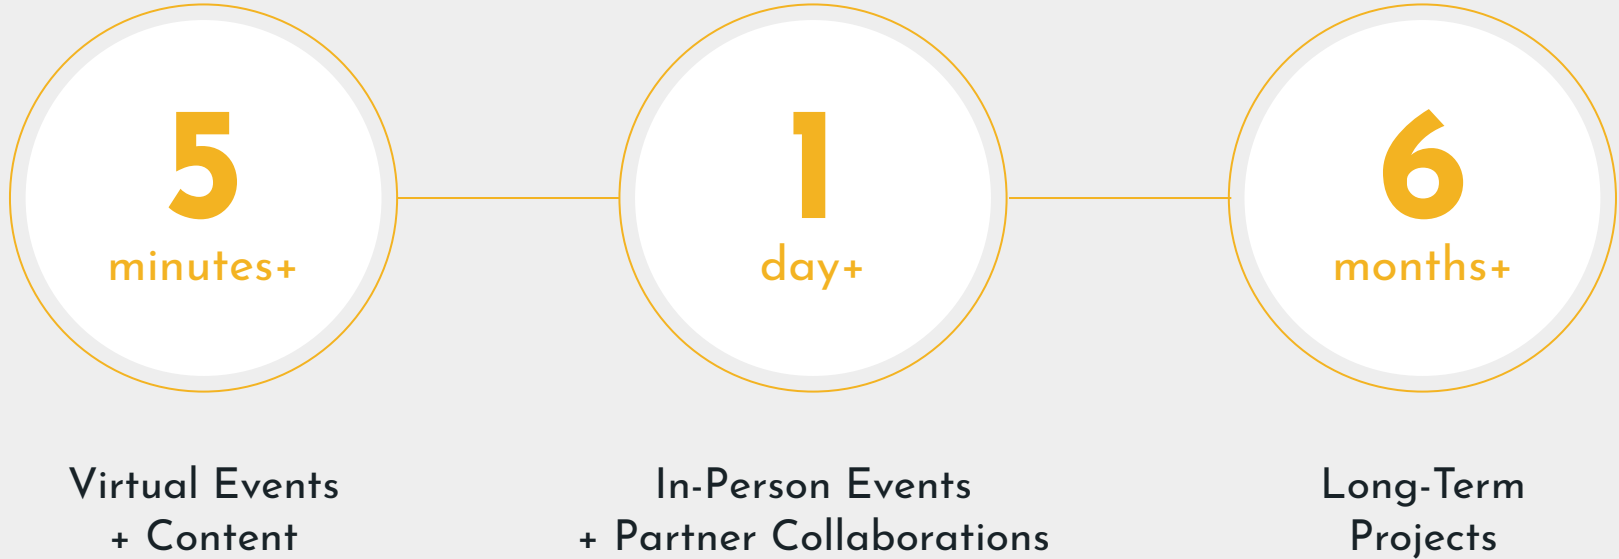

9

Teacher Residencies  
and Alternative  
Teacher Prep Programs

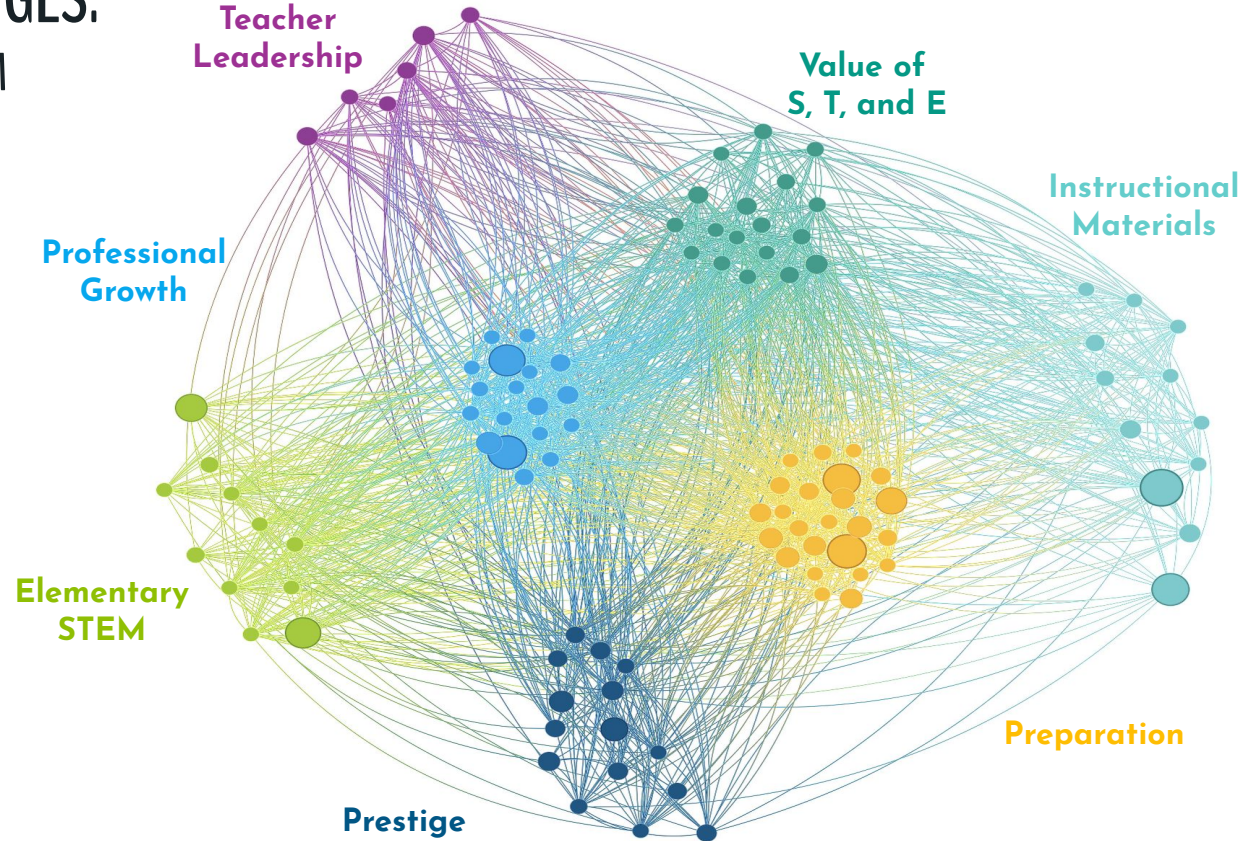

6

Media  
Organizations

## WE HAVE A NUMBER OF ACCESSIBLE VEHICLES FOR LEARNING & COLLABORATIVE PROBLEM-SOLVING

# THE GRAND CHALLENGES: A 360 ° VIEW OF THE SYSTEM

# WHAT IS THE GOAL OF A STEM TEACHER LISTENING SESSION?

- As a participant in a 100K in 10 Teacher Forum Listening Session, we hope you will lend your voice to achieving the vision of all kids experiencing the joy and wonder of a great STEM education.

# WHAT ARE THE BROADER GOALS?

In addition to participating in a formal Listening Session, the hope is that you will also contribute to the work of 100K in 10 as:

- **Advisors**, by guiding the research and analysis, contributing first-hand experience in and knowledge of the issue, and helping to shape findings/actions
- **Ambassadors**, by generating momentum and excitement about this work within your network and actively encouraging your peers and colleagues to contribute
- **Leaders**, by stepping up to lead or model ongoing action to address the Grand Challenges; 1) Prestige, 2) Preparation, 3) Elementary STEM, 4) Professional Growth, 5) Teacher Leadership, 6) Value of S, T, and E, and 7) Instructional Materials

**QUESTIONS?**
